Adam Glassberg Recognized by InvestmentNews

Savant Capital Management financial advisor joins the 40 Under 40 class of 2019

ROCKFORD, Ill. (June 18, 2019) – [Savant Capital Management](#), a nationally recognized, fee-only wealth management firm headquartered in Rockford, announced today that Financial Advisor [Adam Glassberg](#) has been selected as a member of the 2019 class of 40 Under 40 by InvestmentNews. Glassberg is the second Savant team member to be recognized with the honor.

According to InvestmentNews, the purpose of the 40 Under 40 project is to reveal the tremendous potential in the financial advice industry by finding often unrecognized young talent doing remarkable things. Advisors were selected based on accomplishments to date, contributions to the industry, leadership, and promise.

“I am humbled to be recognized alongside an amazing group of professionals,” said Glassberg. “InvestmentNews has provided each of us an opportunity to share our unique stories and to perhaps inspire the next generation of financial advisors.”

Glassberg has been involved in the finance industry since 2008. During this time, he has accomplished a great deal for his clients, the firm, and the finance industry. Outside of his client work, Glassberg contributes his expertise to help improve community financial literacy.

“Adam is unequivocally committed to the financial well-being of his clients and the communities he serves,” said Don Duncan, a financial advisor and managing partner with Savant. “This is a well-deserved honor and we couldn’t be prouder.”

The 40 honorees were recognized during InvestmentNews’ Future of Business event held on May 7 in New York City. [Click here](#) to read more about Glassberg’s honor. To view the full 2019 class of 40 Under 40, [click here](#).
