APPENDIX A

Professional Designations and Certifications

Accredited Investment Fiduciary® (AIF®)

Administered by fi360, the Accredited Investment Fiduciary® (AIF®) professional designation demonstrates knowledge and competency in the area of fiduciary responsibility and communicates a commitment to standards of investment fiduciary excellence. Holders of the AIF® mark have successfully completed a specialized program on investment fiduciary standards and subsequently passed a comprehensive examination.

Accredited Investment Fiduciary Analyst™ (AIFA®)

Administered by fi360, the Accredited Investment Fiduciary Analyst™ (AIFA®) professional designation focuses on the process of conducting fiduciary assessments. The AIFA designation not only signifies the same thorough knowledge of the prudent process for investment fiduciaries that the AIF designation represents, but also the ability to perform assessments of that process. AIFA designees' primary function is to perform, or assist in, assessments of an investment steward's, advisor's, or manager's conformance to a Global Fiduciary Standard of Excellence using fi360's ISO-like procedure of assessment. AIFA designees possess the ability and knowledge to advise clients of deficiencies in investment processes. It is also the required mark to perform a CEFEX Fiduciary Certification, the independent recognition of a fiduciary's conformity to all fiduciary practices and criteria. To become an AIFA, one must have graduated from fi360's AIF training. In addition, there are specific prerequisite work experiences.

Accredited Portfolio Management AdvisorSM (APMA®)

Issued by the College for Financial Planning, the Accredited Portfolio Management AdvisorSM program is a graduate-level introduction to portfolio construction and management. Individuals who hold the APMA® designation have gained hands-on experience involving investment policy statement analysis, portfolio building, and critical asset allocation decision making.

Accredited Tax Advisor (ATA)

The Accredited Tax Advisor (ATA) is a leading national credential for practitioners who handle sophisticated tax planning issues, including planning for owners of closely held businesses, planning for the highly compensated, choosing qualified retirement plans and performing estate tax planning. In order to become an ATA, candidates must pass the ATA examination and meet a three-year experience requirement. The Accreditation Council for Accountancy and Taxation® (ACAT) seeks to ensure that all accredited individuals possess the theoretical and practical knowledge necessary to be successful practitioners

Accredited Wealth Management AdvisorSM (AWMA®)

Individuals who hold the AWMA® designation have completed a course of study encompassing wealth strategies, equity-based compensation plans, tax reduction alternatives, and asset protection alternatives. Additionally, individuals must pass an end-of-course examination that tests their ability to synthesize complex concepts and apply theoretical concepts to real-life situations.

Behavioral Financial Advisor™ (BFA™)

The Behavioral Financial Advisor™ (BFA™) is a professional certification developed by Kaplan to provide training to deepen client relationships through professional and personal financial planning consultation. The program is designed to help advisors mentor and coach individuals regarding their financial decisions. To attain the right to use the BFA™, an individual must complete two comprehensive courses and pass a certifying examination.

Chartered Alternative Investment Analyst® (CAIA®)

The Chartered Alternative Investment Analyst® (CAIA®) designation is conferred by the CAIA Association. The CAIA® is the globally recognized credential for professionals managing, analyzing, distributing, or regulating alternative investments. The CAIA® designation is awarded to candidates who have successfully passed the Level I and Level II examinations and met the other requirements specified by the CAIA Association.

Certified Divorce Financial Analyst® (CDFA®)

The Certified Divorce Financial Analyst® (CDFA®) is a professional certification granted in the by the Institute for Divorce Financial Analysts™ (IDFA™). To attain the right to use the CDFA®, an individual must satisfactorily complete a comprehensive course of study approved by the IDFA and pass a four-part Certification Examination that tests their understanding and knowledge of the financial aspects of divorce. In addition, candidates must demonstrate the practical application of this knowledge in the divorce process.

Certified Estate Planner™ (CEP®)

The CEP® (CERTIFIED ESTATE PLANNER™) is a trademark registered with the United States Patent and Trademark Office, and solely owned by the National Institute of Certified Estate Planners, Inc. This certification mark is awarded to individuals who successfully complete the NICEP certification requirements and who also comply with annual maintenance requirements.

[Back](#)
[To Top](#)

Certified Financial Planner™(CFP®)

The CFP® program is administered by the Certified Financial Planner Board of Standards, Inc. Those with the CFP® designation have demonstrated competency in all areas of finance related to financial planning. Candidates complete studies on over 100 topics, including stocks, bonds, taxes, insurance, retirement planning and estate planning. In addition to passing the CFP® certification exam, candidates must also complete qualifying work experience and agree to adhere to the CFP® Board's code of ethics and professional responsibility and financial planning standards and complete 30 hours of continuing education every two years.

Certified Investment Management Analyst (CIMA)

The Certified Investment Management Analyst (CIMA) certification program is the only credential designed specifically for financial professionals who want to attain a level of competency as an advanced investment consultant. The CIMA professional integrates a complex body of investment knowledge to provide objective investment advice and guidance to individuals and institutions. That knowledge is applied systematically and ethically to assist clients in making prudent investment decisions. This CIMA designation focuses on asset allocation, ethics, due diligence, risk measurement, investment policy and performance measurement. The CIMA certification program requires that candidates meet all eligibility requirements, including experience, education, examination and ethics.

Certified Medical Planner (CMP®)

A Certified Medical Planner® undertakes a year-long study of topics specifically related to financial planning for medical professionals. A CMP® has an expertise in catering to the needs of doctors in order to meet their specific financial goals.

Certified Retirement Counselor (CRC®)

The Certified Retirement Counselor® (CRC®) designation, offered through The International Foundation for Retirement Education (InFRE), recognizes retirement planning professionals who demonstrate a mastery of subject matter, a commitment to the retirement planning profession, and adherence to a code of ethics and continuing education requirements.

Certified Specialist in Retirement Planning® (CSRP)

The Certified Specialist in Retirement Planning® (CSRP) designation is conferred by the National Institute for Excellence in Professional Education, LLC. Candidates must complete a curriculum of five core and two elective courses and pass a related exam for each.

Certified Specialist in Estate Planning® (CSEP)

The Certified Specialist in Estate Planning® (CSEP) designation is conferred by the National Institute for

Excellence in Professional Education, LLC. Candidates must complete a curriculum of six core and two elective courses and pass a related exam for each.

Certified Trust and Financial Advisor (CTFA)

The Certified Trust and Financial Advisor (CTFA) designation signifies that an individual working in this field has attained comprehensive training in the following professional knowledge areas: Fiduciary & Trust Activities, Financial Planning, Tax Law & Planning, Investment Management, and Ethics. Candidates must meet the experience, education, ethics and examination requirements determined to be competency measures for wealth management professionals.

Certified Public Accountant (CPA)

CPAs are licensed and regulated by their state boards of accountancy. While state laws and regulations vary, the education, experience and testing requirements for licensure as a CPA generally include minimum college education (typically 150 credit hours with at least a baccalaureate degree and a concentration in accounting), minimum experience levels (most states require at least one year of experience providing services that involve the use of accounting, attest, compilation, management advisory, financial advisory, tax or consulting skills, all of which must be achieved under the supervision of or verification by a CPA,) and successful passage of the Uniform CPA Examination. In order to maintain a CPA license, states generally require the completion of 40 hours of continuing professional education (CPE) each year (or 80 hours over a two-year period or 120 hours over a three-year period). Additionally, all American Institute of Certified Public Accountants (AICPA) members are required to follow a rigorous Code of Professional Conduct which requires that they act with integrity, objectivity, due care, competence, fully disclose any conflicts of interest (and obtain client consent if a conflict exists), maintain client confidentiality, disclose to the client any commission or referral fees, and serve the public interest when providing financial services. The vast majority of state boards of accountancy have adopted the AICPA's Code of Professional Conduct within their state accountancy laws or have created their own.

Chartered Advisor in Philanthropy® (CAP®)

The Chartered Advisor in Philanthropy® (CFAP) designation is conferred by The American College. To obtain the CAP charter, candidates must successfully complete three exams and gain at least three years of qualifying work experience, among other requirements. In passing these exams, candidates demonstrate their competence, integrity and extensive knowledge in tax strategies for charitable giving, business exit planning, estate planning, legacy planning, and

gift-planning for nonprofits. Philanthropic planning offers a positive difference in communities and the world.

Chartered Financial Analyst® (CFA®)

The Chartered Financial Analyst® (CFA®) designation is conferred by the CFA Institute. To obtain the CFA charter, candidates must successfully complete three exams and gain at least three years of qualifying work experience, among other requirements. In passing these exams, candidates demonstrate their competence, integrity and extensive knowledge in accounting, ethical and professional standards, economics, portfolio management and security analysis.

Chartered Financial Consultant® (ChFC®)

The Chartered Financial Consultant® (ChFC®) designation program focuses on the comprehensive financial planning process as an organized way to collect and analyze information on a client's total financial situation; to identify and establish specific financial goals; and to formulate, implement, and monitor a comprehensive plan to achieve those goals. The ChFC® program provides financial planners and others in the financial services industry with in-depth knowledge of the skills needed to perform comprehensive financial planning for their clients. Candidates must pass an examination for six required courses and two elective courses to earn the ChFC designation.

Chartered Life Underwriter® (CLU®)

The Chartered Life Underwriter® (CLU®) credential is specifically designed to enhance the knowledge of people employed in the life insurance industry. Most, but not all, individuals who seek or have earned this designation are also licensed insurance agents or brokers. The CLU is conferred only upon successful completion of a ten-part course of study that covers fundamentals of economics, finance, taxation, investments, and other areas of risk management as they apply to life insurance. The course of study can be completed through home study or by attendance of courses offered by either a branch of the American Society of Chartered Life Underwriters or an affiliated college or university.

Chartered Retirement Planning CounselorSM (CRPC®)

The Chartered Retirement Planning CounselorSM (CRPC®) program is offered through the College for Financial Planning® and focuses on the pre- and post-retirement needs of individuals, asset management, estate planning, and the entire retirement planning process using models and techniques from real client situations. Candidates must pass an end-of-course, multiple-choice examination that tests their ability to synthesize complex concepts and apply theoretical concepts to real-life situations.

Chartered Retirement Plans SpecialistSM (CRPS®)

The Chartered Retirement Planning SpecialistSM (CRPS®) program is offered through the College for Financial Planning® and focuses on the design, installation, maintenance, and administration of retirement plans. The curriculum for the CRPS designation encompasses specific content covering both theory and practical application. Candidates must pass an end-of-course, multiple-choice examination that tests their ability to synthesize complex concepts and apply theoretical concepts to real-life situations.

Enrolled Agent (EA)

An Enrolled Agent has earned the right to represent taxpayers before the Internal Revenue Service worldwide. Enrolled Agents, like attorneys and certified public accountants (CPAs), may represent all taxpayers, from individuals with simple tax returns to Fortune 100 tax returns. Enrolled Agents face no restrictions on the types of tax matters they can handle and the IRS offices before which they can practice. Enrolled Agents are licensed by the Department of Treasury and can represent taxpayers throughout the United States and overseas.

Life Underwriter Training Council Fellow (LUTCF)

The LUTCF designation combines essential product knowledge with the skills financial professionals must have to advise individuals and businesses effectively on their insurance and planning needs. A key to the program is ethical selling practices, and Ethics for the Financial Services Professional is required for every designee. LUTCF candidates must complete six courses, one required and five electives and pass an exam for each course. Candidates must be a member of NAIFA to be awarded the designation following completion of all of the educational requirements.

Master Planner Advanced StudiesSM (MPAS®)

The MPAS® designation is offered to individuals who have completed a Master of Science degree with a major in personal financial planning or financial analysis. The individual must demonstrate critical thinking skills and complex problem-solving techniques while completing assignments, projects, research and various papers to meet graduation requirements. The issuing organization is the College for Financial Planning®. To be eligible to pursue the MPAS® designation, a candidate must have earned a Bachelors or Graduate degree from a regionally-accredited college or university. The curriculum for the MPAS® designation encompasses specific content covering both theory and practical application. Candidates are required to complete their combination of assignments, projects, research and papers with a minimum cumulative 3.0 GPA.

Personal Financial Specialist (PFS)

The PFS credential demonstrates that an individual has met the minimum education, experience and testing required of a CPA in addition to a minimum level of expertise in personal financial planning. The PFS credential is administered through the AICPA.

Professional Plan Consultant (PPC™)

The PPC designation signifies an ability to employ best practices that help plan sponsors run successful and compliant practices and is awarded to those that complete a curriculum based on ERISA regulations and industry best practices as it pertains to the management of a qualified plan. The issuing organization is Financial Service Standards, LLC (“FSS”).

Qualified 401(k) Administrator (QKA)

The Qualified 401(k) Administrator (QKA) credential is offered for retirement plan professionals who work primarily with 401(k) plans. Applicants for the QKA credentials are from various professional disciplines. They typically assist employers and consultants with the recordkeeping, non-discrimination testing and the administrative aspects of 401(k) and related defined contribution plans. A minimum of two years’ experience in retirement plan related matters is required along with completion of ASPPA’s QKA examination series to be a candidate for this credential.

Qualified Pension Administrator (QPA)

The Qualified Pension Administrator (QPA) credential was created by ASPPA to recognize professionals who are qualified to perform the technical and administrative functions of qualified plan administration. QPAs assist employers, actuaries, and consultants in performing functions such as determination of eligibility benefits, computation of benefits, plan recordkeeping, trust accounting and disclosure, and compliance requirements. A minimum of two years’ experience in retirement plan related matters is required along with completion of ASPPA’s QPA examination series to be a candidate for this credential.

Qualified Plan Financial Consultant (QPFC)

QPFC is the professional credential for financial professionals who sell, advise, market or support qualified retirement plans. The QPFC program provides an understanding of general retirement planning concepts, terminology, distinctive features of qualified plans and the role of retirement plan professionals. QPFC is not an entry-level credential. A candidate will be expected to demonstrate a general proficiency of plan administration, compliance, investment, fiduciary, and ethics issues. A minimum of two years’ experience in retirement plan related matters is required along with completion of ASPPA’s QPA examination series to be a candidate for this credential.

Retirement Plans Associate (RPA®)

The Retirement Plans Associate (RPA) designation is earned by individuals in the group benefits arena who complete the extensive four-course curriculum and successfully pass the examination.

Retirement Income Certified Professional (RICP®)

The Retirement Income Certified Professional (RICP) designation is offered and recognized by the American College. Candidates must have three (3) years of industry experience and pass three self-paced courses covering the full retirement planning process.
